

WEST SALEM MHP

OCTOBER 2021

As we approach winter please check to make sure you are properly winterized. Please check your heat tapes to make sure that they are working and in good condition. If you find that you don't have water, check with your neighbors. If they have water, you will need to call a plumber.

If you see or hear water running, please contact me (Vicky) 608-786-1414 right away.

Holiday season:
Office closed on
November 25 & 26
December 24, 25 & 31

WE HOPE THAT YOU ARE ALL WELL AND THAT YOU HAVE A GOOD SAFE HOLIDAY SEASON.

Remember that all boats, campers, vehicles must be parked on your lot and not in the street. Street parking is not allowed and it hinders the ability to plow the roads after snowfall.

Please watch your kids! Especially when they are playing outdoors near the streets. Also please drive slowly and pay attention. We live in a family neighborhood, watch for the little ones. Thank you!

Although we are moving into our winter season please keep your things properly stored and don't allow them to just accumulate on your patio, carport or yard.

Thank you
For your cooperation.

If you have a lot that borders a sidewalk Please remember snow must be shoveled/salted within 24 hours after the snow stops. If the Village comes out to do it, they will charge \$150.00 to \$200.00. If you have a serious challenge please contact me.

Thank you and have a nice winter!
